Super Tips for Writing

- Write **sentences** that communicate what you want to say. That is your most important **task** for now.
- Write in an organized way so that it makes sense. Example: time order
- At this time, do not be concerned with proper spelling, grammar or vocabulary.
- Each paragraph has a **topic sentence**.
- Each paragraph must have **supporting details**.
- When appropriate, include your own observations, experiences and knowledge in your writing.
